ARTICLE II

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

2.1 Membership. The Declarant and each and every person or legal entity who shall own any Lot or Dwelling in The Properties (together with each and every person or legal entity who shall own any Lot or Dwelling in other subdivisions or communities within the Development) shall automatically be a member of the Association, Provided, however, that any person or legal entity who holds such an interest merely as security for the performance of any obligation shall not be a member. Except as to the Declarant, Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Except as to the Declarant, membership in the Association may not be transferred except in connection with the transfer of title to a Lot. The Declarant shall have the right, but not the obligation, to terminate its membership in the Association at any time that it no longer owns any portion of The Properties or the Future Development Property.

2.2 Voting. Subject to the provisions of the Articles of Incorporation, the members of the Association shall have the right to cast their respective votes as specified in the By-Laws of the Association, as amended from time to time.

2.3 Meetings. Except as may be herein otherwise provided, all matters concerning meetings of members of the Association, including the time within which and the manner in which

notice of any meetings shall be given to said members, and the quorum required for the transaction of business at any of such meetings shall be as specified in the Articles of Incorporation or By-Laws of the Association, as amended from time to time, and by law.

2.4 Casting of Votes. Subject to the provisions of this Declaration and the Articles of Incorporation, the votes of the members shall be cast under rules and procedures as may be prescribed in the By-Laws of the Association, as amended from time to time, and by law.

ARTICLE III

ASSESSMENTS

3.1 Purpose of Assessments. The assessments provided for herein shall be used for the purpose of promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and occupants of Lots in the Subdivision and in particular for the acquisition, improvement, maintenance and operation of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas, including but not limited to the payment of taxes and insurance thereon and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof, as well as for the establishment and maintenance of one or more reasonable reserve funds for such purposes as to cover unforeseen contingencies or deficiencies, or for emergency expenditures or such other matters as may be authorized from time to time by the Board of Directors. In determining the fiscal needs of the Association, the Board of Directors of the Association shall be authorized to establish from time to time a reasonable amount which shall be contributed as a part of the annual assessment for capital purposes. As collected, such capital contributions shall be deposited in a separate capital account with separate records maintained therefor and disbursements therefrom shall be only for capital purposes as determined from time to time by the Board of Directors.

3.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of any Lot or Dwelling, by acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association assessments which shall be fixed, established and collected from time to time as herein provided. Such assessments, together with such interest thereon and costs of collection thereof as herein provided, shall be a charge on and a continuing lien upon the Lot against which each such assessment is made. Such lien shall be perfected by filing of record in the office of the Clerk of Superior Court of the County in which the Lot is located a claim of lien at any time after the assessment, or portion thereof, becomes delinquent. The claim of lien shall be substantially in the same manner and form as is applicable to claims of lien for labor, materials or services provided in the improvement of real property under Title 44 of the Official Code of Georgia. Such a claim of lien shall also secure all assessments, or portions thereof, which come due thereafter until the claim of lien is cancelled of record. Also, each Owner shall be personally liable for the portion of any assessment coming due while he is the Owner of a Lot or Dwelling, and his grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of a conveyance but without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefor. Provided, however, any person who becomes the Owner of a Lot or Dwelling as purchaser at a judicial or foreclosure sale conducted with respect to an Institutional Mortgage, or pursuant to any proceeding in lieu of the foreclosure of such mortgages, shall be liable only for assessments coming due after the date such person so acquires title to the Lot or Dwelling.

3.3 Assessment Upon Sale of Property. Concurrently with each and every sale of a residential lot on which a dwelling is located, the buyer of said lot shall pay to the Association an assessment in the sum of \$500.00, which shall be allocated to the common expense fund for

common expenses. The assessments provided for in this Section shall be in addition to any annual assessment provided for in this Declaration.

3.4 Annual Assessments. Subject to the provisions of this Article, the annual assessment payable to the Association for common expenses and capital contributions shall be as follows:

(a) Beginning with the calendar year 2022, the annual assessment payable to the Association for common expenses and capital contributions shall be determined as follows:

(i) Common Expenses. Not later than November 1st of the previous calendar year, the Board of Directors of the Association shall estimate and prepare a budget for the ensuing calendar year for the total of all common expenses which shall be paid by annual assessments. If said estimated sum proves inadequate for any reason then the Board of Directors of the Association may levy at any time in the calendar year a further assessment for common expenses. If for any reason an annual budget is not made as required hereby, that portion of the annual assessment for common expenses for the ensuing calendar year shall remain the same as for the previous calendar year.

(ii) Capital Contributions. In addition to the amount which shall be paid for common expenses as provided in subsection (i) above, the Board of Directors of the Association shall also be authorized to establish an amount which, as a part of the annual assessment, shall be contributed to the Association during the ensuing calendar year for capital purposes. If, for any reason, the Board of Directors of the Association does not make a determination as to the amount of capital which shall be contributed during the ensuing calendar year, then that portion of the annual assessment for contribution to capital for the ensuing calendar year shall remain the same as for the previous calendar year.

(b) Allocation. Unless otherwise specified by the Board of Directors of the Association, each installment payment made by a member of the Association on the annual assessment payable by such member shall be allocated to the common expense fund and to the capital reserve account on a *pro rata* basis, according to the amount to be paid for common expenses and the amount, if any, to be contributed to capital in the particular calendar year.

3.5 Special Assessments.

(a) Capital Improvements. In addition to the annual assessments authorized above, the Board of Directors of the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon or within the Common Areas, including fixtures and personal property related thereto. Except as otherwise specifically provided herein, any such special assessment shall be approved (i) by a majority of the votes which the Owners of any Lot or Dwelling, other than the Declarant, present, or represented by proxy, are entitled to cast at a meeting duly called and held for such purpose, and (ii) by the Declarant, so long as the Declarant remains a member of the Association.

(b) Subdivision Amenities. In addition to the annual assessments authorized above, the Board of Directors of the Association may levy special assessments applicable to and payable by only persons or legal entities owning Lots within the Subdivision (and

not to owners of Lots outside the Subdivision but within other subdivisions or communities within the Development) for the maintenance and operation of amenities (if any) available to and useable by only Lot Owners within the Subdivision.

3.6 Uniform Rate of Assessment. Except as otherwise specifically provided herein, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a calendar year basis or in such other reasonable manner as may be determined by the Board of Directors of the Association.

3.7 Assessments; Due Dates.

(a) The annual assessments payable to the Association, as provided for in this Article, shall be established on a calendar year basis and shall commence as to each Lot as of the day such Lot is conveyed by Declarant. The date of the commencement of the annual assessment as to a particular Lot, as determined aforesaid, is hereinafter sometimes referred to as "the commencement date." The first annual assessment payable to the Association shall be adjusted according to the number of months remaining in the calendar year as of the commencement date. Unless otherwise provided by the Board of Directors of the Association, such prorated assessment shall be paid on the commencement date. The Association's Board of Directors shall fix the amount of the annual assessment payable to the Association against each Lot and send written notice of same to every Owner subject thereto in advance of each annual assessment period. Unless otherwise provided by the Association's Board of Directors, and subject to the foregoing provisions of this Section, the annual assessment for each Lot shall become due and payable to the Association on the first day of December of the year preceding the calendar year for which the annual assessment is being paid and shall be paid to the Association when due without further notice from the Association.

(b) The special assessments payable to the Association, as provided for in this Article, shall be due on the date(s) specified by the Association's Board of Directors.

(c) The Association shall, upon demand at any time, furnish to any Owner liable for any such assessment a certificate in writing signed by either the President or Treasurer of the Association, or by the manager of the Association, if any, setting forth whether the same has been paid. A reasonable charge, as determined by the Association, may be made for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

3.8 Effect of Non-Payment of Assessments; Remedies of the Association. Any assessment, or portion thereof, not paid when due shall be delinquent. If the same is not paid within five (5) days after the due date, then a late charge equal to ten percent (10%) of the amount thereof or \$50.00, whichever is greater, shall also be due and payable to the Association. Any assessment or portion thereof not paid when due shall bear interest from the date of delinquency until paid at the maximum legal rate. The Board of Directors of the Association may suspend the voting rights of the Owner during the period in which any assessment or portion thereof remains unpaid and may bring an action at law against the Owner or Owners personally obligated to pay the same or foreclose its lien against such Owner's Lot, in which event late charges, interest, costs and attorney's fees in an amount equal to the greater of \$500.00 or fifteen percent (15%) of the past due amount plus interest due thereon, may be added to the amount of such assessment or portion thereof which is past due. All payments on account shall be applied first to late charges, then interest, and then to the assessment lien first due. All late charges and interest collected shall be credited to the common expenses fund. Each Owner, by his acceptance of a deed or other conveyance to a Lot, vests in the Association the right and power to bring all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien against his Lot in the same manner as other liens for the improvement of real property. The lien provided

for in this Article shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid in the Lot at any judicial or foreclosure sale and to acquire, hold, lease, encumber and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Property and facilities located thereon or abandonment of his Lot.

3.9 Priority of Lien. The lien of the assessments provided for in this Article shall be prior and superior to all other liens except only (a) ad valorem taxes and (b) all sums unpaid on a first mortgage, if any, filed of record in the office of the Clerk of the Superior Court of the County in which the Lot is located. The sale and transfer of any Lot shall not affect the assessment lien; provided, however, that the sale or transfer of any Lot which is subject to a first mortgage pursuant to the judicial sale or foreclosure thereof, or pursuant to any proceeding in lieu of foreclosure, shall extinguish the lien of such assessments as to the payments thereof which become due prior to such sale or transfer. No such sale or transfer shall relieve the acquirer of title, and the successors-in-title and assigns thereof from liability for any assessment thereafter becoming due on the Lot from the lien thereof. Provided, however, the Association may at any time, either before or after a first mortgage is placed on a Lot, waive, relinquish or quitclaim in whole or in part the right of the Association to assessments provided for herein with respect to such Lot coming due during the period while such Lot is or may be held for liquidation by the first mortgage pursuant to such sale or transfer.

3.10 Exempt Property. Notwithstanding the commencement date otherwise established by Section 3.7 of this Article, all Lots made subject to this Declaration shall be exempt from the assessments created herein until conveyed by Declarant or any builder who purchases any Lot to construct a dwelling thereon, to another Owner. Thereupon, such assessments shall be imposed at such rates and on such terms and conditions as may then be applicable to all Lots conveyed by the Declarant prior thereto. Provided, further, notwithstanding the foregoing, any Lot owned by Declarant or any builder who purchases any Lot to construct a dwelling thereon, and rented by Declarant or said builder shall become subject to all assessments (on a prorated basis if during a calendar year) as of the date the Lot is so rented. Every grantee of any interest in any property located in the Subdivision, by acceptance of a deed or other conveyance of such interest, agrees that any Lots owned by Declarant shall be exempt from said assessments as herein set forth.

3.11 Property Not Owned by the Association. The Association shall be authorized to expend assessments for the improvement and maintenance of certain real and personal property which does not constitute a Common Area, or any improvement therein or personal property incident thereto, owned by the Association but which is made available for use by all Lot Owners by Declarant or other persons. Such expenditures may be made only for so long as such property is made available for use by all Lot Owners. Such expenditures shall create no ownership rights, easements or licenses, whether legal or equitable, express or implied, over such property in the Association or any Lot Owner, such use being permissive only and subject to termination by Declarant or the owner of such property at any time, without notice.

ARTICLE IV
ADMINISTRATION

4.1 Responsibility for Administration. The maintenance, repair, replacement and operation of the Common Areas and facilities located thereon shall be the responsibility of the Association. Such administration shall be governed by this Declaration and the Articles of Incorporation and By-Laws of the Association, as amended from time to time. The powers and duties of the Association shall be those set forth in said documents together with those reasonably implied to effect their respective purposes, and shall be exercised in the manner provided therein. The association shall accept such conveyances of Common Area as are made from time to time to the Association by the Declarant.

4.2 Management Agreements. The Association's Board of Directors may employ a professional manager for the administration and operation of the property subject to the Association's jurisdiction. The employment agreement may provide that, during his tenure, such manager shall be authorized and responsible for exercising all powers and performing all duties of the Association, excepting only those powers and duties specifically and exclusively assigned or reserved to the officers, directors or members of the association by this Declaration and the Association's Articles of Incorporation or By-Laws. The manager may be an individual, corporation, or other legal entity, as the Board of Directors shall determine, including individuals associated with Declarant. The Board of Directors may require that such manager be bonded in such amount as the Board of Directors may require. The cost of acquiring any such bond shall be an expense of administration, payable from the common expense fund. Each Lot Owner hereby agrees to be bound by the terms and conditions of all management agreements entered into as hereinabove provided.

4.3 Limitation of Liability; Indemnification. Notwithstanding the duty of the Association to maintain, repair and replace the Common Areas and facilities, the Association shall not be liable for injury or damage caused by any latent condition of such property and facilities, nor for injury or damage caused by the elements, nor for injury to its members or other persons, nor shall any officer or director of the Association be liable to any of its members for injury or damage caused by such officer or director in the performance of his duties unless due to the willful misfeasance or malfeasance of such officer or director. Each officer or director of the Association shall be indemnified by the Association against all expenses and liabilities, including attorney's fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having been such an officer or director, whether or not he is such an officer or director at the time such expenses and liabilities are incurred, except in such cases wherein the officer or director is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties. Provided, however, in the event of a settlement, the indemnification shall apply only when the Board of Directors approves such settlement and reimbursements as being in the best interests of the Association.

ARTICLE V

PROPERTY RIGHTS

5.1 General. Each Lot and Dwelling shall for all purposes constitute real property which shall be owned in fee simple and which, subject to the provisions of this Declaration, may be conveyed, transferred, and encumbered the same as any other real property. Each Owner shall be entitled to the exclusive ownership and possession of his Lot or Dwelling, subject to the provisions of this Declaration, including without limitation, the provisions of this Article. If any chutes, flues, ducts, conduits, wires, pipes, plumbing, or any other apparatus or facilities for the furnishing of utilities or other services to a Lot or Dwelling lie partially within and partially outside the designated boundaries of the Lot or Dwelling in question, any portions thereof which serve only such Lot or Dwelling shall be deemed to be a part of such Lot or Dwelling and any portions thereof which serve more than one Lot or Dwelling, or any portion of the Common

Areas, shall be deemed to be a part of the Common Areas. The ownership of each Lot and Dwelling shall include, and there shall pass with each Lot and Dwelling as an appurtenance thereto, whether or not separately described, all of the right and interest in and to the Common Areas as established hereunder, which shall include, but not be limited to, membership in the Association. Each Owner shall automatically become a member of the Association and shall remain a member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically pass to his successor-in-title to his Lot or Dwelling, and upon such transfer, such former Owner shall simultaneously transfer and endorse to his successor-in-title any certificates or other evidences of his membership in the Association.

5.2 Owner's Easement of Enjoyment. Subject to the provisions of this Declaration and the rules, regulations, fees and charges from time to time established by the Board of Directors in accordance with the By-Laws and the terms hereof, every Owner, his family, tenants, and guests shall have non-exclusive right, privilege, and easement of use and enjoyment in and to the Common Areas, such easement to be appurtenant to and to pass and run with title to each Lot and Dwelling, subject to the following provisions:

(a) The right of the Association to borrow money (i) for the purpose of improving the Common Areas, or any portion thereof, (ii) for acquiring additional Common Areas, (iii) for constructing, repairing, maintaining or improving any facilities located or to be located within the Common Areas, or (iv) for providing the services authorized herein, and to give as security for the payment of any such loan a security deed or other security instrument conveying all or any portion of the Common Areas; provided, however, that the lien and encumbrance of any such security instrument given by the Association shall be subject and subordinate to any and all rights, interests, options, licenses, easements, and privileges herein reserved or established for the benefit of Declarant, any Owner, or the holder of any Mortgage, irrespective of when such Mortgage is executed or given.

(b) The rights and easements reserved to Declarant in this Article, Sections 5.4, 5.5, 5.6, 5.7.1, 5.7.3, 5.7.4, 5.7.6 and 5.7.7.

(c) The right of the Association to grant and accept easements as provided in Section 5.7.2 of this Article, and to dedicate or transfer fee simple title to all or any portion of the Common Areas to the City of Perry, Georgia, or to any other public agency or authority, public service district, public or private utility, or other person, provided that any such transfer of the fee simple title must be approved by the then Owners of two-thirds (2/3) of the Lots in the Subdivision (including any Lots added by Supplementary Declaration pursuant to Section 1.2.2 hereof) voting in person or by proxy at a duly held meeting of the Association and by Declarant, for so long as Declarant owns any Lot or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development.

(d) The rights and easements reserved in Section 5.7.5 of this Article for the benefit of the Association, its trustees, officers, agents and employees.

(e) The rights and easements reserved in Section 5.7.7 of this Article hereof for the benefit of the Additional Property.

(f) The rights of the holder (and its successors and assigns) of any mortgage which is prior in right or superior to the rights, interests, options, licenses, easements, and privileges herein reserved or established.

5.3 Recreational Facilities. Subject to the terms and provisions of this Declaration and the rules, regulations, fees and charges from time to time established by the Board of Directors, every Owner and his family, tenants, and guests shall have the non-exclusive right, privilege, and easements of access to and the use and enjoyment of the recreational facilities and amenities (if any) as are now or hereafter located in the Common Areas. An Owner may assign to the tenant of his Lot or Dwelling such Owner's rights of access to and use of said recreational facilities so that such tenant, his family and guests shall be entitled to the access to, and the use and enjoyment of, the recreational facilities on the same basis as an Owner and his family and guests.

5.4 Access. All Owners, by accepting title to Lots or Dwellings conveyed subject to this Declaration, waive all rights of uncontrolled and unlimited access, ingress, and egress to and from such Lot or Dwelling and acknowledge and agree that such access, ingress and egress shall be limited to roads, sidewalks, walkways, and trails located within the Development from time to time, provided that pedestrian and vehicular access to and from all Lots and Dwellings shall be provided at all times.

5.5 Easement for Declarant. During the period that Declarant owns any Lot, or Declarant owns any Lot or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development, Declarant shall have an alienable and transferable right and easement on, over, through, under, and across the Common Areas for the purpose of constructing Dwellings and other improvements in and to the Lots and the Additional Property and for installing, maintaining, repairing, and replacing such other improvements to the Property (including any portions of the Common Areas) as are contemplated by this Declaration or as Declarant desires, in its sole discretion, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Declarant have the obligation to do any of the foregoing. In addition to the other rights and easements set forth herein and regardless of whether Declarant at that time retains ownership of a Dwelling or Lot or has the right to submit the Additional Property or any portion thereof to the Development, Declarant shall have an alienable, transferable, and perpetual right and easement to have access, ingress and egress to the Common Areas and improvements thereon for such purposes as Declarant deems appropriate, provided that Declarant shall not exercise such right so as to unreasonably interfere with the rights of Owners in the Development to the use of the Common Areas.

- (a) Any owner of any lot in said section desirous of securing a waiver or variance of said restriction shall request the same in writing and shall deliver said petition to any member of the Architectural Control Committee hereinbefore named;
- (b) If the Architectural Control Committee, in the exercise of its sole discretion, approves of said variance, it shall notify the petitioner of the same in writing;
- (c) The written approval of any requested alteration or variance by the Architectural Control Committee shall constitute absolute waiver of and shall otherwise void the restrictions contained in this paragraph relative to the subject lot;
- (d) The waiver of the restrictions contained in this paragraph on any petitioned lot shall not constitute a waiver of said restriction on any other lot; and,
- (e) Unless the written approval as outlined herein is secured, the restrictions contained in this paragraph shall be binding and of full force and effect. Provided, further that if the Architectural Control Committee fails to notify the petitioning landowner of its approval within thirty (30) days of its receipt of the request, said request shall be deemed to have been denied.

6.34 In-Home Business. No lot shall be used except for residential purposes. Any homeowner desiring to operate a business or conduct business activities on a lot or within a dwelling shall first submit a request to the Architectural Control Committee and provide all documentation requested by the Architectural Control Committee. If the Architectural Control Committee fails to approve or to disapprove such request within thirty (30) days after submittal thereof, it shall be conclusively presumed that such committee has not approved the request. No signs, displays or other advertising medium shall be permitted on any lot which indicates that the property is being used for a business activity. All business activities shall be conducted in such a manner that the business activities are not visible from other dwellings or streets of the subdivision. The Architectural Control Committee will consider the impact on the subdivision and other homeowners in the subdivision. The Architectural Control Committee reserves the right to revoke any previous approval of an in-home business should the nature of the business change. In rendering a decision on such a request, the criteria to be considered by the Architectural Control Committee includes, but is not limited to, the following:

- (i) The type of business to be conducted on the property;
- (ii) Whether the business activity is to be conducted by the owner of the property or a family member residing on the property;
- (iii) Whether the business activity unreasonably increases the flow of traffic through the subdivision;
- (iv) Whether the business activity will create a nuisance or trespass as to other dwellings in the subdivision or any common areas;
- (v) Whether the business activity is legal and conforms to standards established by local zoning ordinances;

- (vi) Whether the business activity requires the use of machinery or equipment that creates dangerous conditions or nuisances to other dwellings;
- (vii) Whether the business activity requires the storing or use of hazardous materials on the property; and
- (viii) Whether the business activity impacts the residential character of the subdivision.
